

CARLISLE

Trac Chief® and Trac Chief® XT

**Tough Tires
for Tough Jobs**

Did you know?

Carlisle offers one of the widest ranges of sizes and ply ratings available for general duty skid steer and compact tractor applications.

Trac Chief® XT

Carlisle Trac Chief® and Trac Chief® XT Features and Benefits

Rugged tread compound and nylon cord construction

Flat profile for increased traction, stability and tread life

Rim guard protects tire bead against damage from foreign material/debris

For use on skid steer, backhoe, compact tractor, aerial work platform lifts and three wheel rough terrain forklifts in general purpose applications

Made in USA

Trac Chief®
